

Deadly Arts

Together We Sing on Noongar Boodja

Song Analysis Questions

1. Cut out the questions.
2. Display the questions around the room.
3. Students discuss each question in their group.
4. Students add their ideas on sticky notes under each question.

Who do you think the composers wrote the song for, i.e. the intended audience?

What do you think is the song's message?

What do you notice about the lyrics?

What musical features do you notice? e.g. form/structure, verses, chorus, repetition, melody etc.

What do you like about the music or video?

If you were to write the song, what would you change?
