Noongar Seasonal Story Example:

Beginning	Middle	End
Drip, Drip, Drip went the rain drops. It is Makuru season, the coldest and wettest time of the year. The rain is making a soft, swishy sound as it falls into the river.   Kangaroo track	The kangaroo is hopping to find shelter under the trees. It makes a bouncy sound as it jumps away in the rain. Boing, boing, boing.   Waterways: stream, river, creek etc...	The rain stops. It is quiet now. The sun starts to shine. A man walks in squeaky boots. Squelch, Squelch, Squelch. He starts to dig with a big stick in the mud. Dig, dig, dig.   Person with digging stick
